

Expression of interest: PSAC Youth Outreach Worker

Are you a PSAC Member under the age of 30? Are you interested in getting more youth involved in the union? Are you interested in gaining valuable experience working in the PSAC office?

The PSAC BC Region is looking for a union member under the age of 30 who would like to work on a one-month project to:

1. target recruitment for The New Steward! A Young Worker Focus course set for our Union School for November 2010;
2. recruit more young members to join the Youth Caucus and encourage their active participation in the Union more generally; and
3. create and compile content for a Young Worker Outreach/Resource Guide that will be useful for all Locals, Area Councils, Committees, and Union leadership at all levels.

Guidance and assistance will be provided by PSAC Staff.

To be considered for this opportunity, please provide an expression of interest covering how your skills, interests, and experience would complement this project by the deadline of Friday, July 23rd to Monica Urrutia, attn: Youth Outreach Worker, at urrutim@psac.com.

We hope this work will occur over a one month time period sometime between September - October 2010 (start date is negotiable). The minimum salary would be at the PM 1 or SP 3 level or wage-replacement, whichever is higher.

Please distribute this opportunity among your contacts - this is a great opportunity for a young PSAC member to get involved with the Union and gain some experience. The position will be working out of either the Vancouver or Victoria Regional Office.
